

DRIED WHOLE BLACK SOLDIER FLY LARVA

- Black Soldier Fly Larvae (BSFL) is the perfect high protein nutritional treat to supplement the diet of your game birds.
- A complete amino acid profile which aids in healthy and vibrant feathers.
- Our BSFL have been fed on banana reducing their environmental impact and eliminating risk of species cross contamination.
- Ensure a balanced diet by including black soldier fly larvae as 5-30% of the overall feed, depending on the birds' life stage, alongside grains, seeds, and other ingredients.
