BONUS ACTIVITIES

Free IELTS Testing

An important motivator for student advancement is being able to quantify progress. Riverton acknowledges that students desire to sit tests and chart their ability on internationally recognised grading systems. Riverton provides FREE, authentic IELTS Exam testing to current students. This allows students to complete one free IELTS Test for every 10 weeks enrolled at Riverton.

One-on-One English Coaching

Riverton provides individual and personalised feedback regularly to all students free of charge. Teachers meet with students for their "one-on-one" Full Potential Coaching session, giving individual feedback on their progress and helping them set clear targets and goals to focus on. If a teacher identifies that a student isn't progressing, the Academic Manager is informed to arrange further support or intervention strategies where needed.

STEM Club

Riverton holds free STEM (Science Technology Engineering and Mathematics) workshops with a specialist STEM teacher. The workshops are covering a broad range of STEM related topics including science experiments, robotics, virtual and augmented reality, coding and cultivating a home garden.

Speaking Club

Riverton holds a Speaking Club where students from all levels and backgrounds come together in a relaxed setting to practise conversational English on a new topic each session. It's a low-pressure way to build fluency and confidence outside the structure of the classroom.

Cinema Nights

Riverton hosts Cinema Nights for students to enjoy together as a college community, with screenings on campus or a trip to a cinema across Brisbane. It's a fun, social way to unwind, pick up everyday English expressions, and get to know classmates outside class hours.

Social Media Kings and Queens Program

Riverton holds social media competitions to encourage students to create social media content which is focused on student life in Australia. Students are scored for their social media success based on both user feedback/likes as well as Riverton's marketing team, and the student with the most successful work becomes the Social Media King or Social Media Queen.

City Farmers Market

Every student needs the chance to lead and to make connections with other international students. Student-led excursions to Brisbane City Markets are run regularly, typically on Wednesdays, when the "market group" meets in Reception and walks to the market together. Riverton supports sustainable living, student leadership, and local businesses.

Job Club

The first reason why students study English is to get a better job in the future. Riverton holds a weekly Job Club all year round. The workshop rotates every week from a pool of exciting topics that increase employment chances. Sample workshops include: Resume/CV writing skills, cover letter writing skills, job interview skills and where to look for a job.

Multicultural Days

Riverton organises twice yearly Multicultural Days as an opportunity for the whole college to come together and celebrate their cultural and linguistic heritage. These are organised as a fun and social special event that bring the broader college together.

FACILITIES AND RESOURCES

At Riverton English Academy, we offer a top-notch English language learning experience. Our campus is designed to provide students with everything they need to succeed, including the latest software, high-speed WIFI, photocopying facilities, charging stations, and a comfortable student lounge. To enhance your campus experience, we recommend that you bring your own laptop or tablet device.

Course Resources

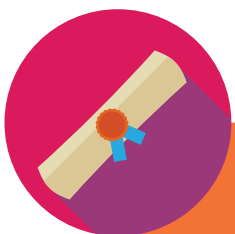

All course materials are accessible to students via our comprehensive Learning Management System (LMS). Here, you will find a wealth of resources, including class assessments, workbooks, and extra materials to support your studies. Additionally, test and assessment results are posted in student files, and you can connect with other students or teachers through the LMS.

Assessments

We believe that assessments are an essential part of the learning process. All units studied in our English language qualification are assessed in at least three different ways. Assessments include quizzes, projects, case studies, presentations and questions to ensure a well-rounded evaluation of your skills and knowledge.

Course Completion

Upon completion of the course with competent results, students will receive a certificate from Riverton English Academy. Certificates will be available either at reception or given by your teacher.
