

Grief Support Group

In-person support group provides a compassionate space for those mourning the death of a spouse or partner.

Westview Funeral Chapel is pleased to welcome Tamelynda Lux, Certified Grief Educator, as our group facilitator, offering a monthly support gathering for those in our community who have experienced the loss of a spouse or partner.

Tamelynda brings both professional training and lived experience supporting individuals and families through loss, transition, and renewal.

This gathering offers a gentle, inclusive, and compassionate space for participants to explore grief, share personal experiences, and reconnect with meaning and community. It is a peer-based support circle and is not clinical therapy or professional counseling.
