

# How to compassionately care for the dying

**Important answers when facing end-of-life care of another. Inspiring, real life experiences and insights.**

## What if your listeners could . . .

- Know how to provide emotional, mental, and spiritual support in ways that matter?
- Help foster acceptance and peace of mind around death?
- Offer support around the fear of the unknown?
- Help a loved one experience a peaceful end-of-life transition?

## Interview questions . . .

- **What is an end-of-life doula?** I'll explain what they do and how they are an integral support member.
- **What led you to write this book?** I'll share how fostering acceptance and peace of mind about death is not just for the dying but the caregivers too.
- **How does hypnosis help at end-of-life?** I'll reveal how it can help with processing anxiety around death, finishing personal affairs and troublesome past experiences or memories, dealing with the unknown, and more.
- **What is a death rehearsal?** I'll share how a session unfolds and the benefits of this experience.

## Tamelynda Lux

Tamelynda is a certified end-of-life doula and one of very few certified end-of-life hypnosis specialists. Her spiritual task is helping educate and support others about the end-of-life experience for both formal and informal caregivers. She has helped practitioners, caregivers, and those dying with the emotional, mental, physical and spiritual aspects of end-of-life care and dying.

**Inspired by Tamelynda Lux and co-authored by a diverse selection of end-of-life practitioners.**

**Media Experience:** Radio, Television, Remote Interviews
