

Christ the King Episcopal Church

Dear Brothers and Sisters of CTK,

As we look forward to the coming season when we celebrate the gift from Heaven of our beloved savior, Jesus Christ, I ask if there is any more appropriate time to bring the knowledge of Him to a child.

Every Shoebox gift becomes a tool for local churches to share God's love and the gospel of Jesus Christ. It's about telling children around the world that God loves them. It's taking the Good News to the ends of the earth and doing it through a shoebox. And what a better time to show our own children and grandchildren the blessing of giving.

It's so easy—just click on the **link** at the bottom of the page and pack your box with items of your choice. If every family at CTK were to fill one box, what a blessing it would be in our inaugural year of this program! Several families are giving one box for each of their own children, letting the kids pick what age group and items are to be received. In this time of Covid-19, an easy and safe way to share. If you prefer, you can donate through our **Givelify** app and I'll pack a shoebox for you.

With five days left, we are a third of the way to our goal. Time is closing to deliver these blessings to a child who will otherwise go without. Our program at CTK will conclude on **November 15**.

Please prayerfully consider this request and give what you can. If you have any questions, please contact me. Thank you, and (a very early!) Merry Christmas!

for His sake,

Ann Rodriguez
