

The World's Best Video Book

*A 70-Year Adventure in this
Fabled Playground features
27 Videos Inside the Pages*

DISCOVER Atlantic City from the waning days of prohibition in the 1930s . . . past the birth of casino glitter palaces in the 1970s . . . then beyond. Dazzle between the end of HBO's *Boardwalk Empire* and before *The Sopranos* in a thriller and psychological mystery with room for romance.

A young immigrant rises through Mafia ranks to learn love can be lost, a respected lawyer is charged with gruesome murder, and a strong-willed female prosecutor only knows how to deliver unwavering justice.

Let a local, a former prosecutor and criminal defense trial lawyer, sweep you to the beach then onto the town. Live, love, and survive!

“Schofield is fun. He’s entertaining. A storyteller.”

—Patrick Pauling, *The Press of Atlantic City*

***The Boardwalkers* Spans 70 Years of Mafia Intrigue, Legal Quagmires, Relationships, and Redemption in the Playground called Atlantic City . . . with a Format Placing 27 Storytelling Videos Inside the Book Pages.**

New Literature & Fiction novel spans decades with organized crime and a justice system that nearby Philadelphia lawyers complain is crazy. Here, the good and the gutter snipes struggle to live, love, thrive, and survive from the 1930s to 2000 beside the longest boardwalk in the world.

USA – Frederick Schofield and Beach Books Publishing, LLC is proud to announce the release of *The Boardwalkers*, Video Edition, featuring 27 videos with author snippets enhancing the storyline. This unique and gripping new Literature & Fiction novel is now available on [Amazon](#). The engaging story takes readers into the unique world of Atlantic City, covering a stretch of time from the 1930s to the year 2000. It mixes thriller, mystery, Mafia intrigue, and human drama with three-dimensional characters that feel real, meaningful, and thought provoking.

A Story that Spans Generations

[*The Boardwalkers*](#) is a Literature & Fiction novel that follows lives connected by crime, power, and personal choices. The story begins during the last days of prohibition and moves through the rise of casinos and changing times in Atlantic City. The story is set as a 70-year sequel to HBO's *Boardwalk Empire* and prequel to HBO's *Sopranos*.

Readers join an immigrant who climbs through Mafia ranks, facing crime family struggles and the loss of true love. They follow a respected lawyer who finds himself accused of a shockingly gruesome murder. At the center of justice stands a strong female prosecutor who deeply believes in doing what is right, no matter the cost.

This [Literature & Fiction](#) story brings together different lives and demonstrates how choices shape the future. It is not just about crime. It is about people, their struggles, and how to deal with the past.

Rich Setting and Real Emotion

Atlantic City is more than a backdrop that offers big risks for high gains. It feels alive. From old-time boardwalk days to the flashing glare of casino lights, the city grows and changes as characters evolve for the better or worse.

This [Literature & Fiction](#) work gives readers a close look at both the immense beauty and the dangers of boardwalk life. You live the harsh side of crime but reach for hope, love, and second chances. The balance between dark moments and warm human feelings makes the story easily connectable.

Readers who enjoy stories with history, crime, and emotional depth will find this book immensely rewarding.

A Unique Place Between Two Famous Worlds

The Boardwalkers has a special place in storytelling. It begins where the world of *Boardwalk Empire* ends before *The Sopranos* begins. This makes it feel familiar while still being fresh and new.

This [Literature & Fiction](#) novel stands on its own, but it also gives readers a sense of living through a hidden part of history. The pacing, character growth, and timing make the story feel smooth and complete.

It is a great choice for readers who enjoy layered stories with strong connections between past and present.

About the Author

[Frederick Schofield](#) is a former trial lawyer with a Juris Doctorate degree, who has prosecuted and defended. He served as a United States Marine and was decorated for valor in combat. His gut is filled with real-world experience. It shows in his writing.

His earlier works gained strong praise and sold thousands of copies before the small publisher went out of business. Over time, readers continued to look for his books. A few remaining new First Editions were selling on Amazon at remarkable prices between \$700 and \$952.

Now, with delightfully revamped versions laced with videos, Schofield brings fresh life to a great story. His work in [Literature & Fiction](#) reflects real emotion, real conflict, and real human growth. His legal background and life experiences deliver depth and truth to every page.

Themes That Stay With You

At its core, [The Boardwalkers](#) is about growth, redemption, and the choices people make. The story shows how the past can shape the present, but it also shows that change is always possible.

This [Literature & Fiction](#) novel speaks to readers who enjoy stories that are personal and honest. Three-dimensional characters are imperfect, yet extraordinarily real. Their journeys reflect the highs and lows, the ups and downs of life in a way is relatable and understandable.

The message is simple but strong: people can change and every choice matters.
