

Unlimited passes are non-transferable—only one person per card. If you have multiple people in your party, each person must have a card. **No refunds. Pass users are guaranteed 20 'big' (traditional winning prizes = 'big') prizes regardless of if they win or lose the game.** If the user prefers a sticker from the other bowl, that is allowed and counted as 1 of the prizes. **After receiving 20 prizes:** *The pass user can play **Gone Fishing, Bobbing for Donuts**, and participate in the **cake walk three additional** times and receive prizes. After that, the pass user can no longer play those games without a ticket.

All other games can be played indefinitely. Thank you for your understanding and cooperation. Enjoy the carnival!
