Working to create a healthy, engaged, and unified community for the youth of Frenchtown

THE FRENCHTOWN COMMUNITY COALITION IS EXCITED TO ANNOUNCE A **FREE** INFORMATIONAL FORUM ON VAPING FOR STUDENTS, PARENTS, AND COMMUNITY MEMBERS.

“VAPING ME CRAZY!” Parent and Community Presentation

Presented by Michael DeLeon: Founder of Steered Straight

We are in the worst public social health crisis America has ever seen. With vaping/JUULing, marijuana legalization, and a culture that literally grew up with pills marketed as the solution for every human ailment, the threat to our youth is greater than ever and the chasm between what parents need to know and the current trends necessary to understand now, the importance of parental education and awareness can't be overestimated. **It is vital!**
