Dues Raffle Winner!!!

Thank you to the 103 out of 330 households that paid their dues this year.

As always, the Civic League appreciates your generosity and reminds you we are always accepting donations.

Congratulations to our raffle winner, the Meinster family!

- Volunteers in our Community -

StoneGate has a unique perk - our parkway! The entrance to our neighborhood is a real beauty. While dues help keep the parkway in good shape, it's the community volunteers who make it the pride of StoneGate. The Civic League wants to give a big shoutout to all those who keep giving their time and energy to make our community better.

We all know life can get hectic and time is precious, but even just a few hours of volunteering on a clean-up day can make a huge difference.

So, try to make time to help your friends and neighbors out!

Nothing brings a community together like working toward a common goal.

- Community Yard Sale -

You asked and the Civic League is working to deliver!

June 28th is our community yard sale. Please sign up on the website by June 22nd and we will have a map available on the StoneGate website indicating which houses are having a sale. QR codes will be available for people to scan as they enter the neighborhood.
