

An Caisteal Lodge – Lodge Information

The Lodge has an open plan Living / Kitchen / Dining Area, one Kingsize Bedroom with ensuite Bathroom with Shower, two Twin Bedrooms and a Family Bathroom with a Bath and and over bath Shower.

The cost quoted for your booking includes all Gas & Electricity required during the length of your stay.

Mobile Wifi is included at the Lodge. This has a monthly download limit, so is not suitable for large downloads or gaming, but is suitable for general internet browsing, facebook, Instagram etc. The Wifi is on the Three Network / Go Binge, which allows free streaming of Netflix, tvplayer, apple music, deezer, soundcloud and snapchat, so if you have these on your devices then you can stream to your hearts content! (You can also watch Netflix on the Lodge TV through our Netflix subscription).

The Lodge sleeps up to 6 people (+1 baby). There is a travel cot, high chair and a couple of baby toys at the Lodge.

Living Area

The Living Room area has a panoramic view over Loch Lomond and the River Falloch, with two three seater sofas.

There is a wall mounted TV with Sky Freesat. Netflix is also available on the TV. There is also a DVD Player, Bluetooth speaker, CD player, selection of DVDs, selection of CDs and a section of board & card games.

Dining Area

The Dining Area has a 6-seater Table, ideally located to eat your meals with a beautiful view of the Loch.
