

Noses to Toes, Ears to Rears...

Quite simply, patients who suffer from any combination of pain, inflammation, or slow-healing wounds benefit from laser therapy, including -

- | | |
|--|-------------------------------------|
| Abscesses | Intestinal Impaction |
| ACL – Non-surgical/Partial or Post-Op | IVDD (Acute/Chronic) |
| Acral Lick Dermatitis | Mastitis |
| Acupuncture | MRSA Infections |
| Acute Nephritis | Muscle and Ligament Disorders |
| Anal Sacculitis | Musculoskeletal Disorders |
| Arthritis | Neck Pain |
| Aural Hematomas | Neurological Disorders |
| Avian Specific Disorders | Neuromuscular Disease |
| Back Pain | Oral Cavity Disorders |
| Bicipital Bursitis | Oral Surgery |
| Bicipital Tendonitis | Orthopedic Disorders |
| Bruising | Otitis (Acute and Chronic) |
| Burns | Palliative Pain Relief |
| Cat Bite Abscesses | Pancreatitis |
| Cauda Equina Syndrome | Paralysis |
| Cervical IVDD (Acute/Chronic) | Paralysis Due to Trauma |
| Chronic Neurological Conditions | Parvovirus |
| Crop Inflammation | Periodontal Disease |
| Cruciate Ligament Injury | Peripheral Nerve Injuries |
| Cystitis/FUS | Post Extractions |
| Cystotomy – Post Surgery | Post Surgical Pain Relief |
| Degenerative Joint Disease (DJD) | Post-operative healing |
| Demodicosis | Post-Orthopedic Surgical Procedures |
| Diseases of the Feet | Pyoderma |
| Ear Disorders | Pyotraumatic Dermatitis (hot spots) |
| Edema | Rehabilitation |
| Elbow Dysplasia | Respiratory Disorders |
| Elbow Hygroma | Rhinitis/Sinusitis |
| Feline Acne | Rodent Ulcers |
| Feline Asthma | Skin Grafts |
| Feline Lower Urinary Tract Disease (FLUTD) | Snake Bites |
| Fractures | Soft Tissue Trauma |
| Geriatric Disorders | Sprains and Strains |
| Gout | Stomatitis |
| Head and Neck | Tail Fractures |
| Hematomas (Post-Surgical) | Tendon Injury/Ligament Injury |
| Hip Dysplasia | Thoracic Limb |
| Infections, Bacterial and Fungal | Trauma |
| Infectious Tracheobronchitis | Urinary System Disorders |
| Intervertebral Disc Disease | |

Noses to Hooves, Ears to Rears...

Acupuncture

Acute & Chronic Bog Spavin & Maintenance - Tarsocrural Synovitis

Acute & Chronic Bursitis

Acute & Chronic Cunean Tendonitis & Bursitis (incl. Maintenance)

Acute & Chronic Curb (Tarsal Plantar Desmitis)

Acute & Chronic Fibrotic & Ossifying Myopathy

Acute & Chronic Laminitis

Acute & Chronic Myositis

Acute & Chronic Back Pain

Acute/Subacute/Chronic Bowed Tendon

Back Disorder

Bone Spavin

Bucked Shins

Calming and Sedation

Capped Hock

Carpal Disorder

Carpal Tunnel Syndrome

Carpitis
