

Dear Galaxy Families,

As federal and state officials implement increasingly restrictive measures in an effort to stem the spread of the COVID-19 pandemic, I believe that we have a social responsibility to exercise a strategy of containment to protect our Galaxy community.

Although there have been no known cases reported to us at Galaxy and we have had the gym cleaned and sanitized on a daily basis we feel it is necessary to close for a week starting Monday, March 16th and reopen on ~~Monday, March 23<sup>rd</sup>~~. This will include all recreation classes, team classes, birthday parties and private lessons. All recreational classes will be entitled to make up any missed classes.

We recognize this is a challenging time, and we remain deeply committed to the safety of our customers, teams, and communities. We will continue to monitor the situation and decide if we need to extend the closure.

Thank you for your understanding during this rapidly evolving and difficult time. Stay healthy!

Sincerely,  
Galaxy Gymnastics
