FLEAS, TICKS & PARASITES POLICY

All dogs must arrive free of fleas, ticks, and other external parasites. If fleas, ticks, or other parasites are discovered during the grooming appointment, GROOMING SERVICES WILL BE STOPPED, THE OWNER WILL BE CONTACTED IMMEDIATELY, AND THE DOG MUST BE PICKED UP AS SOON AS POSSIBLE. The dog may return once the parasite issue has been properly treated and resolved.

Has your dog had fleas, ticks, or other parasites recently? ☐ No ☐ Yes

If yes, please explain: _____

Owner Initials: _____

BEHAVIOR & GROOMING HISTORY

Has a groomer ever been unable to complete your dog's groom? If yes, explain.

Has your dog ever bitten, snapped at, or attempted to bite a groomer, veterinarian, handler, or another person?

How does your dog react to nail trimming, clippers, dryers, brushing, face handling, feet handling, and ear cleaning?

Is your dog fearful, anxious, reactive, or sensitive to particular sounds, equipment, people, or handling?

Is there anything that helps calm or comfort your dog during grooming?

CUSTOMER ACKNOWLEDGMENTS & AUTHORIZATIONS

GROOMING RISKS, MINOR INJURIES & OWNER AUTHORIZATION

I understand that professional grooming requires clippers, scissors, brushes, combs, nail tools, dryers, water, shampoos, and other grooming equipment to be used in close contact with my dog. Even when reasonable care and safe grooming practices are used, a dog may move suddenly, have sensitive or thin skin, hidden sores, mats close to the skin, or other conditions that increase the risk of a minor grooming-related injury.

I understand that possible grooming-related issues may include minor nicks or cuts, clipper or brush irritation, redness, razor burn, a quicked nail, minor bleeding, ear irritation, or irritation revealed or aggravated by removing mats or tangles. Pre-existing skin problems, lumps, warts, scabs, sores, or medical conditions may become more noticeable during or after grooming.

I authorize Every Doggie Has Its Grooming and its groomers to use reasonable professional judgment to modify or stop a service if continuing could be unsafe or overly stressful for my dog. I authorize reasonable basic first aid for a minor grooming-related injury and understand that I will be notified of an injury or concern discovered during the appointment.

I acknowledge these ordinary grooming risks and agree not to hold the salon or groomer responsible solely because such a minor issue occurs despite reasonable care. This acknowledgment does not waive responsibility for negligent, reckless, or intentional conduct.

Owner Initials: _____

MATTED COAT / SKIN CONDITION ACKNOWLEDGMENT

I understand that removing severe mats may require a shorter haircut than requested. Mats can hide or contribute to skin irritation, sores, bruising, parasites, or other conditions. Removing tight mats may increase the chance of temporary redness, irritation, or minor nicks. I authorize the groomer to choose the safest reasonable method for my dog's comfort and welfare.

Owner Initials: _____

EMERGENCY CONTACT & VETERINARY CARE

Emergency Contact: _____ Phone: _____

If a situation appears to require veterinary attention and I cannot be reached promptly, I authorize Every Doggie Has Its Grooming to contact my veterinarian or an emergency veterinary clinic and to transport my dog when reasonably necessary. I understand that I am responsible for veterinary expenses except to the extent otherwise required by law.

CUSTOMER ACKNOWLEDGMENT & SIGNATURE

I certify that the information on this application is accurate and complete. I agree to disclose known medical conditions, sensitive areas, medications, behavior concerns, bite history, and parasite concerns before service. I understand that grooming may be modified or stopped when necessary for safety or my dog's comfort. By signing below, I confirm that I have read and agree to the policies and authorizations on all three pages.
