Dear Ms. Latham:

On behalf of the City of Chicago Department of Procurement Services (DPS), I am responding to your three (3) Freedom of Information Act (FOIA) requests received on February 6, 2023. At this time, I am seeking an extension of five additional working days to respond to the three (3) requests for one or more of the following reasons identified in 5 ILCS 140/3(e) of FOIA:

() the requested records are stored in whole or in part at other locations than the office having charge of the requested records;

() the request requires the collection of a substantial number of specified records;

() the request is couched in categorical terms and requires an extensive search for the records responsive to it;

() the requested records have not been located in the course of routine search and additional efforts are being made to locate them;

() the requested records require examination and evaluation by personnel having the necessary competence and discretion to determine if they are exempt from disclosure under Section 7 of the FOIA or should be revealed only with appropriate deletions;

(XX) the request for records cannot be complied with by the public body within the time limits prescribed by 5 ILCS 140/3(d) without unduly burdening or interfering with the operations of the public body;

() there is need for consultation, which shall be conducted with all practicable speed, with another public body or among two or more components of a public body having a substantial interest in the determination or in the subject matter of the request.

Sincerely,

Carmen Rodriguez
DPS FOIA Officer
