3. DJ-Only Agreement

This agreement covers DJ/MC services only. AMTG also offers Day-of Coordination, Content Creation, and Wedding Officiant services. These services are not included unless specifically stated in writing. Adding another service may require a new or amended agreement.

4. Music & Wedding Planning

The Client may provide must-play songs, do-not-play songs, special dances, announcements, wedding-party information, and other reception details. Final planning information should be provided no later than one week before the wedding whenever reasonably possible. AMTG will use professional judgment while respecting the Client's requested music and event preferences.

5. Venue Requirements

The Client is responsible for ensuring reasonable venue access and an appropriate location for DJ equipment, and for informing AMTG of sound restrictions, end-time requirements, setup/teardown restrictions, electrical limitations, loading requirements, and restrictions involving lighting, haze, or other equipment. AMTG will comply with applicable venue policies and laws.

6. Setup, Equipment & Safety

AMTG will arrive with sufficient time to set up before contracted services begin and will provide and operate its own professional equipment. Unauthorized persons may not operate, move, or interfere with AMTG equipment. AMTG may stop performance temporarily or permanently if conditions become unsafe for personnel, guests, or equipment.

7. Cancellation & Date Changes

If the Client cancels the wedding, payments already made may be non-refundable to the extent permitted by applicable law because AMTG has reserved the date and may have declined other business. Date changes will be accommodated when AMTG is available. If AMTG is unavailable for the new date, the change may be treated as a cancellation. Cancellation or date-change requests should be provided in writing.

8. AMTG Emergency or Inability to Perform

In the event of illness, emergency, equipment failure, severe weather, or another circumstance outside AMTG's reasonable control, AMTG will make reasonable efforts to provide replacement equipment or a qualified replacement DJ when possible. If AMTG cannot provide the contracted DJ service or a suitable replacement, AMTG's financial liability will be limited to amounts paid for services not provided, to the extent permitted by law.

9. Conduct

AMTG may stop services if personnel are subjected to threatening, abusive, violent, illegal, or seriously unsafe conduct. AMTG will not be required to violate venue policies, ordinances, laws, or reasonable safety requirements to continue performing.

10. Other Vendors

AMTG is happy to serve as a resource throughout the wedding-planning process and may provide vendor recommendations upon request. Any outside vendor recommended by AMTG operates independently unless specifically stated otherwise. AMTG is not responsible for the performance or actions of independent third-party vendors.

11. Entire Agreement

This agreement represents the understanding between AMTG and the Client regarding the DJ services described above. Significant changes to services, pricing, wedding date, or location should be agreed upon in writing. By signing below, the Client acknowledges that they have reviewed and agree to these terms.
