**YOUR FEEDBACK MATTERS — Please fill  
out and return the attached survey.**

Dear Valued Barclay Towers II Time Share Owners,

Your Board of Directors and Lemonjuice Solutions are working to gather owner feedback and guide planning and communication over the coming months. We're approaching an important milestone in **May 2028**, when the timeshare plan is scheduled to sunset unless owners vote to extend it. The Board remains neutral and is committed to ensuring owners have clear information well in advance so they can make informed decisions. For more information visit the FAQ site (<https://barclaytowers2reimagined.info>)

This survey is intended to gather owner feedback on:

- How owners currently use their ownership (use, exchange, rental, etc.)
- Owner priorities for the resort in the near- and long-term future
- What questions owners want answered as we approach the **May 2028** sunset decision

**Important notes before you begin**

- **This survey is informational only.** It is not a vote, and it does not replace any formal notice or voting process required by governing documents or Virginia law.
- Complete **only one survey** no matter how many weeks you own.
- **Responses will be reviewed in aggregate.** The goal is to identify common themes and questions. If you provide contact information, it may also help the Association confirm records and improve communication accuracy.
- **While the outcome is not known**, please visit the info site for educational information all owners should know.
- **Deadline.** Please complete and submit survey by February 28, 2026.

Thank you for your time and participation.

Sincerely,

**Barclay Towers Phase II Time Share Board of Directors  
and Lemonjuice Solutions**
