DESIGN AND CONSULTING SERVICES FOR THE JUVENILE DETENTION CENTER OF THE INDIANAPOLIS-MARION COUNTY COMMUNITY JUSTICE CAMPUS

BOND BANK RFQ-CJC-2019-001
DUE: MARCH 29TH, 2019, AT 5 PM EST
SECTION 1 - BACKGROUND

1.1 REQUEST FOR QUALIFICATIONS.

This Request for Qualification solicits Statements of Qualifications for Design and Consulting Services for the Juvenile Detention Center related to the City of Indianapolis-Marion County Community Justice Campus (the “Project”). A submittal of a Statement of Qualification does not guarantee that the firm will be contracted to perform any services but only serves as notice to the Indianapolis Local Public Improvement Bond Bank (“ILPPIBB” or “Bond Bank”) that the firm desires to be considered.

1.2 CRIMINAL JUSTICE REFORM.

In his inaugural State of the City address in 2016, Indianapolis Mayor Joe Hogsett created the Indianapolis Criminal Justice Reform Task Force (the “Task Force”) “to assess, research, examine, and ultimately report recommendations for the systemic reform and optimization of the current county criminal justice system.” In a report released on December 12, 2016, the Task Force recommended a series of changes to the criminal justice system, including initiatives to address mental health illness and drug addiction, improve health and safety, prevent crime, and redirect offenders back to a successful life in the community. Task Force recommendations for new and reconfigured facilities included a community justice campus with a 2,700-bed jail with a 300-bed acute health care and mental health unit, an assessment and intervention center and a consolidated criminal and civil courts complex. The Task Force further recommended replacement and relocation of the current Juvenile Detention Center currently located at 2451 N. Keystone Avenue, consistent with the Juvenile Court's preferred operational model, as well as all applicable and desirable facility certifications, codes, and national best practices.

The City of Indianapolis and the Bond Bank have been working with the Marion County Sheriff's Office, the Superior and Circuit Courts and other criminal justice agencies, as well as engineering, design, planning, finance, and legal professionals, to develop the community justice campus concept. The City-County Council of the City of Indianapolis and of Marion County, Indiana (the “Council”) passed Proposal No. 175, in July of 2017, approving up to $20 million in short-term notes secured by LOIT revenues (the “2017A LOIT Notes”) for the purpose of financing a portion of the planning and design costs for Community Justice Center. The 2017A LOIT Notes were authorized by the Bond Bank as a two-year Draw Direct Purchase structure; they closed on November 15, 2017, and mature on November 15, 2019.
On January 29, 2018, the Council adopted Proposal No. 411, 2017 unanimously on a 23-0 vote, which authorizes up to $55 million in short-term financing secured by LOIT revenues (the “2018 LOIT Notes”) for site preparation, construction mobilization and related expenses, planning and design consulting services, and land acquisition and lease expenses. The 2018 LOIT Notes were authorized by the Bond Bank as a two-year Draw Direct Purchase structure; they closed on March 23, 2018, and mature on March 23, 2020.

On November 19, 2018, the Council adopted Proposal No. 367, 2018 passed on a 24-01 vote, which makes a preliminary determination to enter a lease with the Indianapolis-Marion County Building Authority (“IMCBA”) for purposes of financing the Assessment and Intervention Center Project (“AIC”).

Additional information on the 2017A LOIT Notes and the 2018C LOIT Notes is available at www.indycjc.com.

Proceeds from both the $20 million 2017A LOIT Notes and the $55 million 2018C LOIT Notes are being utilized for their respective purposes of design, development, planning and site preparation costs necessary for the larger Community Justice Campus. Overall project costs for the Community Justice Campus are currently estimated at $571,589,859 for the Adult Detention Center & Courthouse and $14.1M for the Assessment and Intervention Center, **but these estimates are preliminary, the project lease has not yet been approved by the Council, and the design-build procurement process is ongoing**. The Bond Bank plans to take out both the 2017A LOIT Notes and the 2018C LOIT Notes with one or more bond issues which will include funding for project costs, capitalized interest and cost of issuance expenses.
