

OWN THE NEIGHBORHOOD:  
**THE POWER OF  
GEOGRAPHIC FARMING**

**WITH MARY BRUNO**

What if an entire neighborhood knew your name, trusted your brand, and called you first when it was time to buy or sell?

Geographic farming isn't about working harder—it's about working smarter, more predictably, and more profitably. In this class, you'll learn how to intentionally choose, dominate, and monetize a specific market so you stop chasing leads and start attracting them.
