

AUGUST

# AGENT MIXER

An illustration of two glasses, one slightly behind the other, clinking together. The glasses are filled with a light-colored liquid, possibly beer or a cocktail, and have a textured, metallic appearance. The clinking is depicted with several short, radiating lines emanating from the point of contact between the two glasses.

Appetizers will be provided, on the house.  
Drinks will be available for purchase.

Parking is available in the garage next to  
the restaurant, entrance is on State  
Street and Route 2
