

Risk Assessment and Management 2026	Axe (Raven) Throwing
--	-----------------------------

Description. Axe Throwing is an activity in which people throw an edged tool at a target. For the purpose of the sessions we run this will always take place on an axe throwing specific range this may be permanent or pop-up.

Note: We call it AXE throwing so that people understand the activity, we do NOT use axes we use a 3 pointed throwing tool called a RAVEN.

Managing Risk Statement. Supervisors will hold the appropriate qualification for this activity (see [Minimum Qualifications document](#)). The quality and safety of sessions will be regularly reviewed with any outcomes being fed into the RA and policies. Inherent within this activity is the possibility of getting wet, tired and exposed to ambient weather conditions(see [Weather Policy](#))

Benefits. Adventure Activities provide a range of benefits (see [Education and Learning policy](#))

The Hazard, what is causing a risk?	Who might be affected	How we manage the risk
