The Childcare Register: inspection outcome - compliant

Her Majesty's Chief Inspector of Education, Children's Services and Skills is leading Ofsted's work into how regulated early years providers in England have delivered child-centred practice and care within the context of the restrictions placed on society during the COVID-19 (coronavirus) pandemic.

I inspected your childcare provision on 15 April 2021.

At the time of the visit I confirmed that you were complying with all of the requirements for registration on the Childcare Register.

Please read carefully the registration requirements for the Childcare Register which are described in the early years and childcare guide to registration, which you can find on our website at <https://www.gov.uk/government/publications/become-a-registered-early-years-or-childcare-provider-in-england> as you must continue to meet these requirements in order to remain registered on the Childcare Register.

If you have any questions please contact us on 0300 123 1231 quoting the reference number at the top of this letter.

Yours sincerely

Helen Penticost
