

Risk assessment and Management 2024	Arts & Crafts	
--	--------------------------	--

Description.
 Arts & Craft activities including:

- Art activities such as painting or drawing using provided materials
- Sculptural activities such as bird box making, bracelet making and willow weaving where most materials are provided but natural materials may be added
- Natural Art activities such as mud sculptures or painting using found natural materials

Managing Risk. Supervisors will be experienced in managing groups in this and similar settings and carrying out dynamic risk assessments.

Benefits. Developing creativity and expressive communication, connecting with nature.

What is the Hazard?	Who could be hurt, any vulnerable groups?	What is being done to manage this risk?
Extremes of weather- Very hot or very cold or wet	All but especially the very young/ old and those inappropriately dressed	Pre activity briefing including what to wear Can be done inside Have regular drink breaks
Scratches, scrapes	All	Participants made aware of any risks, Participants made aware of any natural hazards, such as not picking stinging nettles.
Injury from equipment / resources	all	Appropriate equipment or supervision of equipment (such as round nose scissors) Limit number of items to manageable amount
Getting lost	All but especially the young	Set parameters Make sure young children stay in groups of 3
Any specific risks at particular locations or with particular groups?
