

	Team Building	
--	----------------------	--

Description.		
This covers a range of activities carried out under supervision where the group are working together to achieve an aim / solve a problem while developing inter- intra-personal skills. Non technical and largely non cosequential these tasks range from discussion based activities to activities involving working together physically		
Managing Risk. Supervisors will be experienced in delivering this activity with children. The quality and safety of sessions will be regularly reviewed with any outcomes being fed into the RA and Operating procedures. Inherent within this activity is the possibility of getting wet, tired and exposed to ambient weather conditions.		
Benefits. Working in a group to get to know each other, build trust, develop communication and listening skills		
What is the Hazard?	Who could be hurt, any vulnerable groups?	What is being done to manage this risk?
Extremes of weather- Very hot or very cold or wet	All but especially the very young/ old and those inappropriately dressed	Pre activity briefing including what to wear Can be done inside Have regular drink breaks
Personal Injury Because of the nature of these tasks participants may not concentrate or lose focus, with the potential for minor slips / trips /falls	All	Clear briefing at the start – boundaries identified. Instructor to stay vigilant Any task that requires spotting must be briefed specifically. Instructor to be in a position to spot if needed.
Equipment	All	Check equipment is safe and functional Carriage / movement of equipment explained
Getting lost	All but especially the young	Clear discussion and explanation of boundaries – check for understanding. Keep in your groups.
