

Louisiana State Board of Massage Therapy Approved CEU Class List

(Until November 30, 2019)

Cranial Sacral: We'll look at the current anatomy and theory of the Cranial Sacral System. Learn basic holds and expectations. 12CEUs \$200

Myofascial Cupping: Cupping with a Western lean. We use a specialized set of 4 silicone cups. These cups are have a baffle that allows adjusting suction on the fly and molds better to body surfaces. Superb flushing, heating of gel matrix and fascial opening. (Includes 4 cup set) 12CEUs \$225

Myofascial Release for the Shoulder: Learn about with 3 different approaches to fascial work . . . fascial lines, liquefying gel matrix and unwinding. 12 CEUs \$200

Pin Massage: Working with 3 different rolling pins to achieve excellent gel matrix liquidity and great neural reflex. Part of our SMARTER not HARDER series. (Includes 3 pin set) 12CEUs \$250

Quit Using Your Dadgum Thumbs: Often I am asked what I actually do in my sessions. This weekend is a "Watch Me Work" style class. I will demo my tried and true tools and techniques I use every day. You'll get to borrow and practice with my secret weapons. 12 CEUs \$200

Safe and Effective Fascial Blasting: Fascial "Blasters" have been around for some time, but recently new introductions into the market are causing a stir. We'll provide tools for you to try so you can make an informed purchase. TOOLS NOT INCLUDED IN COST OR SOLD AT WORKSHOP. 12 CEUs \$200

TMJ and Soft Tissue Release: Practical approach to TMJ soft tissue release. We'll include simple exercises and stretches for self care. 12CEUs \$200
