## Free On-Farm Safety Review (Limited Time)

RuralWise is offering a no-cost, on-farm safety check to help you protect your people, livestock, and livelihood.

### What You Get

- Walk-through of key risk areas: machinery, yards, chemicals, electricity, livestock, handling, traffic, and seasonal tasks.
- Practical, farm-ready recommendations you can implement immediately.
- Simple action plan and priority checklist.
- Quick wins to cut incident risk and downtime.
- RuralWise can further assistance to set up a compliant WHS system for your business

### Why It Matters

- Reduce injuries and lost time
- Lower compliance stress and insurance exposure
- Improve productivity and peace of mind
- Demonstrate duty of care for family and staff

Source: Safer Farms Report 2024

### How It Works

1. Book your visit (30–60 min call + 1–2 hrs on farm)
2. We assess current controls and hazards
3. You receive a tailored action plan within 5 business days

### Who It's For

- Corporate and Family farms, contractors, and ag enterprises of any size
