

HOW TO MAKE A MAP

1. Copy or make a map grid

2. Put the directions on the
Compass Rose

3. Put in a Distance Key

4. Make a list of physical features. Then make up some interesting names.

_____ River

_____ Mountains

_____ Swamp

_____ Waterfall

_____ Valley

_____ Forest

5. Make a list of some interesting places for your map.

_____ Castle

_____ Hotel

_____ Cabin

_____ Town

6. Add your features and places to the map. Label them and plan your tour!
