

# Affinity Global Trade LLP

**Bridging Markets Building Trust**

Affinity Global Trade LLP is a merchant export company engaged in trading and exporting premium quality products. We source our products from trusted and reputed manufacturers/producers in India to meet international quality standards.

Processed using high-grade raw materials and modern techniques, our products are known for their purity, effectiveness, and non-allergic properties. Each batch is carefully inspected by our quality partners to ensure consistency and compliance with global market requirements.

## Our Product Range

We are proud to offer a diverse selection of high-quality agro and natural products, carefully sourced and processed to preserve their purity, aroma, and health benefits. Our products meet global standards and are suitable for both retail and bulk supply.

### Spices & Herbs

#### Turmeric (Whole & Powder)

Bright golden, rich in curcumin, and known for its anti-inflammatory properties, our turmeric is sourced from the finest farms and processed to retain its natural colour and aroma.

#### Dry Ginger & Raw Ginger

Naturally dried or fresh, our ginger is prized for its intense flavor and medicinal qualities, perfect for culinary and health applications.

## Our Product Range

### Saffron

Premium-grade saffron strands with a deep red hue and rich aroma. Ideal for gourmet cooking, sweets, and wellness uses.

### Black Pepper

Sun-dried, hand-picked peppercorns offering a bold and spicy kick. Widely used in seasoning and traditional remedies.

### Cardamom

Aromatic green pods filled with flavor – ideal for both sweet and Savory dishes. Carefully harvested and dried to perfection.

### Clove

Strong, pungent, and packed with natural oils. Sourced from trusted growers and perfect for culinary and therapeutic use.

## Our Product Range

### Red Chilli

Fiery and flavourful red chillies, available in whole and crushed form. Delivers consistent heat and vibrant colour to any dish.

### Bay Leaf & Coriander Seeds

Fragrant bay leaves and whole coriander seeds – essential pantry staples for traditional and modern recipes.

### Salts & Sweeteners

#### Rock Salt & Iodized Salt

Naturally sourced mineral salts offer purity and health benefits. Available in crystal or powdered forms.

#### Jaggery & Jaggery Powder

Unrefined, chemical-free jaggery in block and powdered form. Known for its rich flavor and natural energy-boosting qualities.

## Our Product Range

### Pulses & Legumes

#### Red Kidney Beans

Nutritious and hearty, perfect for curries, soups, and stews. Carefully cleaned and sorted for premium quality.

#### Chickpeas

High in protein and fiber, our chickpeas are perfect for making hummus, curries, and salads

### Soyabeans

Nutrient-rich and versatile, soyabeans are great for making tofu, soy milk, and a variety of plant-based products.

## Our Product Range

### Dry Fruits

#### Raisins

Sweet, chewy, and sun-dried – packed with natural sugars and antioxidants. Perfect for snacks, baking, and desserts.

### Natural Earth Products

#### Multani Mitti (Fuller's Earth)

Pure and chemical-free clay, known for its skin-cleansing and oil-absorbing properties. Widely used in natural skincare and cosmetic products
