

**1982 Porsche 911SC Sunroof Delete Coupe — Euro-Spec**  
**VIN: WP0ZZZ91ZCS103179**

Meet the kind of 911 that makes even seasoned gearheads stop mid-sentence. This **1982 Porsche 911SC Sunroof Delete Euro-Spec** is a matching-numbers car finished in **Slate Grey Metallic** over a clean black interior — a classic color combo made famous for a reason. Euro-spec means more power, less fluff, and a little extra attitude straight from Stuttgart.

This one isn't just pretty. It's sorted. It's tight. And it's quick — exactly what you want from a real SC.

---

## HIGHLIGHTS & PERFORMANCE

- **915 5-speed manual transmission**
- **3.0L flat-six (Euro-spec = more horsepower than U.S. models)**
- **Single exhaust outlet**
- **VDO instrumentation**
- **Cibie Pallas driving lights**
- **Bosch front fog lights**
- **4-wheel disc brakes**
- **Front & rear spoilers**
- **Rear rubber bumperettes**
- **Fuchs-style wheels wrapped in Continental tires**
- **Tool roll & spare tire in frunk**

Mechanically, this Stuttgart legend is **strong, responsive, and clean**. Euro SCs are lighter and punchier than their U.S. counterparts — and this one pulls like it means it.

---

## UPGRADES & EXTRAS

This isn't a museum piece — it's a well-dialed driver's car with tasteful upgrades that Porsche purists actually *approve* of:

- **Lowered stance** for sharper handling
- **Wevo short shifter** — crisp, tight, no slop
- **Rennline front strut bar** — added rigidity up front
- **MOMO Prototipo steering wheel** — the perfect driver's wheel
- **MSD ignition box**
- **Fabspeed intake box** — breathes better, sounds better

- **Super low miles** for its age
- **You're the first to ever register/insure it in the U.S.** — fresh start, clean history
- Was an AC car but not currently.

This is the kind of car that makes modern performance cars feel like they're trying too hard.

---

## DOCUMENTATION

Comes with all the right paperwork:

- **Owner's manual**
- **Porsche Technical Certificate**
- **\$13,000+ in receipts**
- **Matching-numbers verification**
- **European import background**

This is a rarely-seen Euro-spec SC with the right upgrades, right paperwork, and the right look.

### Porsche Classic Technical Certificate for Porsche WPOZZZ91ZCS103179

Fascination for Porsche Classic vehicles is always closely linked with Porsche history. We are proud of our history and appreciate that your car is a part of it. Your Porsche Classic vehicle's part in Porsche history is further enhanced with the Porsche Classic Technical Certificate. This document was created for your Classic 911 SC Coupe showing your vehicle's status and options at the time of delivery in model year 1982. It includes all vehicle data available as of this writing. Your Classic Technical Certificate also states whether your engine and transmission number and type remain consistent with the vehicle's original equipment trim and options at the time of delivery. The findings listed on the Certificate are confirmed by visual inspection of all markings present.

**Expert opinion from your Porsche Classic Partner:**

A visual inspection of the engine serial number indicated a match and the transmission serial number indicated a match to our original serial numbers records. Overall, the vehicle shows minor faults on some parts but there is no acute need for action. The paintwork is in good condition and only shows some minor damage(s). The body is in excellent condition and shows no visible damage. The interior appears in excellent condition corresponding to the year of construction. The engine has no visible/obvious leakages. The front pads are only showing minimal wear and front rotors are only showing minimal wear. The rear pads are only showing minimal wear and rear rotors are only showing minimal wear. There is no need for action with the suspension, it shows no major damages. Thank you very much for bringing your car and we are very much looking forward to seeing you again.
