6. YOUR STAGE & DANCE FLOOR MAP

Performer / Group: _____ Entry No.: _____

Draw and label where each performer, microphone, instrument, prop and other item should go. Number items to match your equipment list on page 2. Stage left/right are from the performer's perspective facing the audience.

Dancers will have an open dance floor in front of the stage. The floor is a polished surface and suitable for most styles of dance, however, tap shoes and any props that may damage the surface will require additional arrangements.

Audience / front of room is below the dance floor. Competitors will enter the stage from the left and exit from the right.
