The Most Versatile Mister on the Market

Morgan Imports LLC created the Pump Bottle Misters Line in 2007 and is still the industry leader. They're Here! Our all New PB Misters Ultra Line! What do you get when you cross our original PB Mister with our Pressure Relief Mister? Our New PB Mister Ultra!

A marriage of the strength of the stainless-steel rod with the safety of the Pressure Relief feature; the Perfect Combination to increase repeat sales and customer satisfaction!

- Same comfortable palm grip on the handle as the PR Mister.
- Same adjustable brass nozzle.
- Same 1.5L and 1L sizes.
- Same Bright, Translucent Colors with the addition of a Smoke bottle with Black Handle to mitigate issues of a black bottle distorting in the heat. Black has become the hottest selling color behind blue, so reserve yours now!

Of course, they are available with or without our PB label. Want to build your own brand? We can private-label or name drop on the bottle or Chill Sleeve, just ask us! But the very BEST PART of our NEW ULTRA line is the SAME PRICE! That's right, we've held down the pricing to our 2019 pricing levels and of course, you still maintain your earned Pricing Tier!
