SALVAGE RATES PER FOOT range from \$300 - \$400 /ft

Per Foot rates are based on considering multiple factors

- > Travel / Location of recovery
- > Recovery Equipment needed
- > Boat is Sunk completely, Capsized (floating upside down), or hard-grounding (on Rocks, beach etc).
- > Crew needed for the job
- > Captain and Salvage Master fees
- > Towing rates
- > Weather, SCA or Night Time Rates
- > Recovery/TowBoats needed for job
