About Us

Icy North Games is a game development studio founded by passionate developers with a shared vision of crafting immersive, high-quality gaming experiences.

Based in Finland, we specialize in both indie game development and offering tailored development services to studios and teams using Unreal Engine.

Our expertise spans a variety of genres, with a focus on medieval, RPG, and dark fantasy worlds.

Our Projects

Past Fate

The logo for 'Past Fate' is written in a white, stylized, gothic-style font on a dark, semi-transparent rectangular background. The letters are bold and have a slightly weathered appearance.

Genre: MMORPG
Platform: Steam

Description:
Past Fate is an open world MMORPG set in dark fantasy medieval world where the players freedom is the key element.

TUONELA

Genre: Roguelike
Platform: Steam

Description:
TUONELA is a roguelike survival game that challenges players to navigate a dark and ever-changing world.
