January 16 - 17, 2025

KAUA'I

Designing for Value

Invitation

We cordially invite you to join us as an attendee, sponsor, or exhibitor as we head to Kaua'i for the 24th Annual Hawaii Winter Workshop. The seminar will take place on Thursday, January 16th, and Friday, January 17th, 2025, at the [Royal Sonesta Kaua'i Resort](#).

This workshop is designed to improve the skills and knowledge of design, rehabilitation, and forensics professionals (consultants, architects, and engineers), developers, contractors, and building system manufacturers. We welcome university and college level students to gain insights, industry exposure, and network with professionals. The educational sessions will focus on **modern developments in building enclosure design and construction** by addressing manufacturing perspectives of products/systems development, specification during design, installation during construction, and investigation and repair of existing building. The program comprises of ten, 75-minute presentations, an exhibitor zone, and network reception. Each day will begin at approx. 8:00 am and end approximately 4:00 pm and will offer 12.5 AIA LU's /IIBEC CEH's. Breakfast, lunch, and seminar packets are included with each registration.
