

# 25th Annual Hawaii Winter Workshop

February 9-10, 2026

KAUA'I

Expecting the Unexpected: Building with Flexibility

## Invitation

We cordially invite you to join us as an attendee, sponsor, or exhibitor as we head back to Kaua'i for the 25<sup>th</sup> Annual Hawaii Winter Workshop. The seminar will take place on Monday, February 9th, and Tuesday, February 10th, 2026, at the [Royal Sonesta Kaua'i Resort](#).

This workshop is designed to improve the skills and knowledge of design, rehabilitation, consultants, architects, engineers, developers, contractors, and building system manufacturers. We welcome university and college level students to gain insights, industry exposure, and network with professionals. The educational sessions will focus on **developments in building enclosure design and construction** by addressing manufacturing perspectives of products/systems development, specification during design, installation during construction, and investigation and repair of existing buildings. The program comprises of 10, 75-minute presentations, an exhibitor tour, and network reception. Each day will begin at approx. 7:30 am and end approximately 5:00 pm and will offer 12.5 AIA LU's /IIBEC CEH's. Breakfast, lunch, and seminar packets are included with each registration.
