

21st Annual Hawaii Winter Workshop

JAN 27-28, 2022 OAHU

Hindsight is 20/20: A Collection of Building Enclosure Case Studies

Invitation

We cordially invite you to join us as an attendee, sponsor, or exhibitor as we visit Oahu's North Shore for the 21st Annual Hawaii Winter Workshop. The seminar will take place on Thursday, January 27th, and Friday, January 28th, 2022, at the gorgeous and newly renovated [Turtle Bay Resort](#).

This workshop is designed to improve the skills and knowledge of design, rehabilitation, and forensics professionals (consultants, architects, and engineers), developers, contractors, and building system manufacturers. We welcome university and college level students to gain insights, industry exposure, and network with professionals. The educational sessions will focus on **building enclosure project case studies** by addressing manufacturing perspectives of products/systems development, specification during design, installation during construction, and investigation and repair of existing building. The program comprises of ten, 75-minute presentations, an exhibitor zone, and network reception. Each day will begin at approx. 8:00 am and end approximately 4:00 pm and will offer 12.5 AIA LU's /IIBEC CEH's. Breakfast, lunch, and seminar packets are included with each registration.
