## Paparoa A & P Show Indoor Section

As one of the longest running shows in New Zealand the indoor section has had a long, proud and interesting history. It has always provided the opportunity for competition. The early days saw amazing lacework, crochet, knitting and handwork completed by the clever ladies of the district. There was fierce competition for the lightest Sponge Cake and Best Preserves. Many of these skills are uncommon in these days of instant foods.

With the changes in lifestyles our local show has moved with the times and has the largest number of classes that can be entered in the North. The Photography section always has an amazing collection of beautiful photos.

For the children there is a Trevor Briljevich Cup for any young person under 16 with the best collection of up to six vegetables in the open children's section.

So, time to check out your schedule to get the children deciding which classes they will enter - and the classes you may like to enter. The show is so much more fun when you participate.

Note: You can scan and email in your entry form so that your labels are printed ready when you bring your exhibits to the hall. Entries must be taken in and entered before 11.45 a.m. on Friday morning. Photos can be entered earlier by completing an entry form with payment and posting them or handing them in at Skelton's Drapery.

Have a go and enter into the fun of the Paparoa Show!!

## Venue

The Indoor Section is held in the Paparoa War Memorial Hall on State Highway 12. Travelling west out of Paparoa, go past the old Paparoa Hotel on the left and the Paparoa War Memorial Hall is next on the right. There is short-term parking beside the Hall and free long-term parking in the Showground (go through the Main Showground entry to reach this).

## Dog Policy

**NO DOGS ALLOWED**

Unauthorised dogs are not allowed anywhere on the Showgrounds. They will be required to be removed immediately from the ground and any competitor with an unauthorised dog will be

disqualified. Dogs allowed by legislation e.g. guide dogs or police dogs and competition dogs are permitted on the Showgrounds.

## **DEFINITIONS**

The distinction between chutneys, relishes and pickles is often much debated. For the purposes of this Show, chutneys, relishes and pickles are defined as follows:

### **Pickles**

**Pickle:** Fruit, vegetables, and nuts preserved by the use of vinegar, sugar, spices, and salt.

**Vegetable Pickle:** Crisp vegetables in clear vinegar

**Fruit Pickle:** Tender fruit in sparkling, syrupy vinegar

**Piccalilli (mustard pickle or chow-chow):** A sour pickle, flavoured and coloured with mustard and turmeric. Tender or crisp vegetables in smooth, uncracked sauce.

Attractive, clear, bright colour, characteristic of type. Fruit or vegetables in good shape, same size, carefully prepared, and not too tightly packed. No sediment.

Flavour: Smooth and mature. (Usually eaten with dull food, so must have a marked flavour).

### **Relishes**

A sour pickle with vegetables finely chopped.

Clear, bright colour, typical of ingredients. Tender, well-cooked ingredients that are still identifiable.

Flowing but not runny consistency.

Flavour: sharp and refreshing, rather than sweet or spicy.

### **Chutneys**
