

Different types of dwellings

'Home is where you hang your hat.' - Leon Redbone

Many of us spend a large portion of our lives at home. Our personal space says a lot about how we live and what brings us joy and comfort. Above is a quick sketch of different types of living spaces.

What type of dwelling do you live in?

What other type of dwelling have you lived in?

Have you ever felt like you live a nut house? I sure have!

Here is an additional list:

Apartment, chalet, condo, hacienda, town home, nursing home, loft, shelter, wigwam, villa.
