Military Service Slang

I work for veterans who are from all branches of the military and have served during several eras. Here are a few of their nicknames:

Air-dale: pilot or aircrew.

Band-Aid: A Vietnam-era term for a medic.

Bubble head: Crew member on a submarine, Submariner

Certain Terms

Do you ever wonder where age-old terms come from?

Before cameras, artists painted portraits. Painting the body required a lot of time. The artists charged per limb, hence the meaning, *you will pay an arm and a leg.*

When playing cards were first created, 51 cards in a deck were free. The Ace of Spades was missing. To get it and complete the deck, you had to pay a tax. If you didn't have the Ace of Spades you had to let others know that *you were not playing with a full deck.*

The term '*gossip*' comes from politicians sending their most loyal and obedient assistants to local taverns to 'go sip' some Ale and listen to people's conversations and political concerns.

Fun facts

Clever Quotes by George Carlin

Have we added years to life, not life to years?

Those who dance are considered insane by those who cannot hear the music.

If people stand around in a circle long enough, they will eventually begin to dance.

Salutations

Instead of saying good-bye at the end of our outings, we like to use these salutations:

Good Wishes-Lil Fishes

You Be Sweet-Parakeet
