

WHO IS AVIATOR?

Aviator is a rising Techno DJ and producer from Chicago who discovered her passion for music at just 13. She's known for her high-energy sets that blend hard techno, Schranz, acid techno, gabber and Neo rave and hard dance. She's opened for major acts like KSHMR, Ian Asher, Sam Feldt, Cheat Codes, Slushii, James Kennedy, Ray Burger, Destructo, and Waka Flocka, and has performed for the Milwaukee Bucks and The Sorry Papi Tour and many more. A graduate of SAE Institute Chicago in audio engineering, Aviator is now pursuing another degree in entertainment business to elevate her career even further.

THE MISSION

AVIATOR'S MISSION IS TO INSPIRE THE NEXT GENERATION OF YOUNG FEMALE DJS TO PURSUE THEIR DREAMS OF DJING AND PRODUCING ELECTRONIC DANCE MUSIC.

GROWING UP, AVIATOR RARELY ENCOUNTERED FEMALE—LET ALONE LATINA—EDM DJS TO LOOK UP TO. TODAY, SHE TAKES PRAISE IN BECOMING THE ROLE MODEL SHE ONCE NEEDED AND REPRESENTING FEMALE DJS OF COLOR IN THE EDM SCENE.

HER CHALLENGES INSPIRED HER IN 2024 TO CREATE HER MOTTO, "ALWAYS BELIEVE," WHICH CAPTURES HER JOURNEY OF PERSEVERANCE THROUGH DOUBT AND THE CHALLENGES OF BEING A WOMAN OF COLOR IN THE DJ WORLD. NOW, SHE CHANNELS THAT SAME SPIRIT INTO EMPOWERING YOUNG FEMALE DJS TO FOLLOW THEIR PASSIONS, BREAK BARRIERS, AND HELP SHAPE THE FUTURE OF THE EDM DJ COMMUNITY.
