

Four years ago, Gift of Life hosted our first-ever golf tournament. Although everyone worked very hard and we had a good turn out, we were not successful in raising funds for our organization – in fact, we lost money. We strongly considered never hosting another golf classic...until we found Bob Levey and IEM.

Bob and his team at IEM provided us with insight and guidance which convinced us to try one more time to see if we could host a successful golf tournament which would help raise funds for our organization. Bob quickly understood our cause and the importance of raising funds for our organization and was confident that IEM could help us raise funds to save children's lives around the world. Bob and his team stood beside us by walking us through every step from planning to choosing the right course to hosting committee meetings to proposing new fundraising ideas to choosing amazing awards and prizes that fit into our budget to training volunteers and running everything impeccably on the day of the tournament. We were in awe of how seamlessly the entire process was executed and were ecstatic with the amazing results.

We have now completed three very successful golf tournaments in partnership with IEM and HIGHLY recommend them to any organization looking for a professional, knowledgeable team who are fantastic to work with and understand the importance of planning, organizing and running a professional, fun, successful golf tournament which golfers look forward to returning to and organizations look forward to hosting annually.

For the past 3 years, in which Bob Levey and IEM have been our tournament coordinator, we have gone from losing money (before working with IEM) to raising nearly \$300,000 which has helped save the lives of more than 3,500 children with heart disease, funded screening of 100,000 children for rheumatic heart disease, funded the first-ever scholarship fund for US college-bound students, and funded the construction of the first-ever pediatric cardiac intensive care unit in El Salvador. We truly believe that none of this would have been possible without the leadership and mentorship of Bob Levey and IEM.

Following each of our golf tournaments for the past 3 years, we have received nothing but positive comments from those in attendance (including golfers and volunteers) that our tournament is one of the most professionally run and most fun that they attend. We are sincerely grateful to Bob and his team at IEM for their leadership, guidance and professionalism and for helping us to save lives – one child and one heart at a time.
