Effective July 16, 2026 · Knight Division Tactical, LLC

KDT SuperApp is Knight Division Tactical's internal operations platform, used exclusively by KDT's contractors and authorized personnel. It is not a consumer product and collects no data from the general public.

What we collect (from authorized personnel only)

- **Account & identity** — name, work contact details, role, and login credentials, used to operate your account.
- **Work records** — missions, dispatches, timesheets, qualifications, training, and related operational records.
- **Location** — deployed field personnel share live location while on mission status; leadership sharing is opt-in. Used for dispatch, safety, and coordination.
- **Messages & files** — communications and documents sent through the platform, on KDT-owned infrastructure.
- **Usage & audit data** — actions are logged to a company audit trail for security and accountability.

What we don't do

- No advertising, no ad tracking, no third-party analytics.
- No sale of personal data; no sharing for advertising or tracking.
- No collection from anyone who is not an authorized KDT user.

SMS / text messaging

KDT sends operational text messages (hiring updates, job offers, dispatch offers, schedule/safety notices, account notices) to personnel and applicants who provided their mobile number directly to KDT and consented to receive them. Reply STOP to opt out; reply HELP for help. Message and data rates may apply. Full terms at knightdivisiontactical.com/sms-terms.

No mobile information will be shared with third parties or affiliates for marketing or promotional purposes. Text messaging originator opt-in data and consent are not shared with any third parties.

Data is held on KDT-owned infrastructure. A small number of contracted providers process limited data to deliver features (messaging/email delivery, payment processing). Contact: ols@knightdivisiontactical.com
