

SMS Terms & Conditions

Effective July 16, 2026 · Knight Division Tactical, LLC

1. Program. Knight Division Tactical sends operational text messages to its own personnel, contractors, and job applicants: hiring status updates, job offers, mission dispatch offers, schedule/safety notices, and account/login notices. This is an internal notification program — no marketing, and we do not message the general public.

2. Opt-in. You receive messages only if you provided your mobile number directly to KDT during a job application, hiring, or onboarding and consented to receive operational messages. Consent is not a condition of purchase.

3. Frequency. Varies with operational activity — typically a few messages per week; higher during an active deployment or hiring process.

4. Fees. Message and data rates may apply per your carrier plan.

5. Opt-out / help. Reply STOP to stop messages; reply HELP for help, or email ols@knightdivisiontactical.com.

6. Privacy. Our privacy policy is at knightdivisiontactical.com/privacy.

No mobile information will be shared with third parties or affiliates for marketing or promotional purposes. Text messaging originator opt-in data and consent are not shared with any third parties.

7. Support. Carriers are not liable for delayed or undelivered messages. Questions: ols@knightdivisiontactical.com
