Modern style Kitchen cabinets

GoldenHome Cabinetry provides modern-style kitchen and bath cabinets at an affordable price. Since 1999, GoldenHome Cabinetry has been producing name brand cabinets for the global markets. Today, the company has become one of the world's leading cabinet makers. With many locations stretching across China, Australia, Middle East, and the U.S. Quality is the essence of GoldenHome operation. The company has selected environmentally friendly materials to ensure premium quality. State-of-the-art automated controlled German HOMAG equipment is introduced for precise manufacturing as well.

GoldenHome regards the customer's health as our top concern, that is why we carefully select environmentally friendly materials. As one of the worldwide leading modern cabinet manufacturers, GoldenHome specializes in R&D innovation, service, and manufacturing of modern cabinets ranging from solid wood, laminate to thermofoil, and many other unique styles. GoldenHome specializes in cabinets, which makes it becomes the Kitchen Industrial Design Center.

DELIGHT

GLOSSY WHITE & ASH

White cabinets are unforgettable, giving a sense of purity and comfort. No matter what is the kitchenware materials, it can maintain the fresh and elegant feelings but not missing the vitality of the original color.

GRAND SERIES

KITCHEN CABINETS DESIGN

Kitchens are considered the heartbeat of any home and become the center of attraction.

This is the place where we cook, prepare, socialize, and even entertain guests. So, making it look incredibly stylish is what every homeowner dream of.

So, whether you're planning to construct a new modern kitchen or remodelling the outdated one, we, as a prestigious kitchen cabinets distributor in Canada, help you construct the most popular grand style kitchen in various styles.

Our glossy and super matte style kitchen cabinets will suit everyone's needs, where glossy gives you a classic reflection and makes your smaller kitchen look bigger, whereas super matte style gives you a sophisticated appeal and is easier to maintain as compared to glossy cabinets.

GRAND

MATTE PEBBLE GREY

Matte is relative to flat, that is, non-glossy surface. It can avoid light pollution and is easier to maintain. Black combination, is a classic colour that never gets old.

The dark colour defines wisdom, knowledge, and intelligence, while it is also dignified, conservative and carries the popularity of authority. Therefore, it will be the perfect colour for you to choose and design high-end matte jet black.
