RESOLUTION TO REQUIRE THE SUPERVISOR OF ELECTIONS TO VERIFY CITIZENSHIP

Whereas, the Florida Constitution Article 6 Section 2 requires that only US Citizens be allowed to vote in any election, and

Whereas, Florida Statute 98.093(8) provides that the Department of Highway Safety and Motor Vehicles (DHSMV) maintain data which identifies non-citizens who have been issued Florida Driver's Licenses, and

Whereas, Florida Statute 322.142(4)(e) expressly allows for such data to be requested by the Supervisor of Elections, and

Whereas, data from the DHSMV indicates that nearly 1 .1 million non-citizens in Florida were issued Florida Driver's Licenses between 2020 and mid-2022, and

Whereas, Driver's License information is the most commonly used form of identification provided in applying for Voter Registration, and

Whereas, it is the responsibility of the Supervisor of Elections in each county to verify Voter eligibility, and

Whereas, the Supervisor of Elections is expected to use all reasonable sources of information available to confirm citizenship data whether or not it is specifically required by Florida Statute or

Be it Resolved that the Supervisor of Elections be required, on behalf of all legitimate voters in (Your County), to obtain such non-citizenship data from the DHSMV and follow Statute regarding 30-day notifications to any such identified non-citizens on the Voter Rolls. Such notifications would require such persons to either provide legally acceptable verification of U.S. Citizenship data, or be subject to removal from the Voter Rolls.

Upon approval of this Resolution, the Supervisor of Elections shall be provided a copy and will be requested to solicit the necessary DHSMV data monthly, beginning no later than 30 days following receipt of the Resolution.
