Supporting increased independence, integration, inclusion, and productivity in individual homes and communities.

Effective 07/01/2020, the HMCDDO office has re-opened to the public

The HMCDDO office has re-opened to the public. In spite of this, we encourage people to continue performing as much business with the CDDO via email or phone. This will include all HMCDDO meetings to continue via Team Viewer or Zoom, limiting the potential for in-person COVID exposure.

Any person that wishes to visit the HMCDDO office in person will be encouraged to wear a mask and follow the current social distancing guidelines as set forth by the Ad Astra Plan to Re-Open Kansas.
