## **HMCDDO Affiliated Service Provider Choice:**

Choosing the right service provider is a major decision, and it's completely natural to feel unsure about what to ask, especially if you're still figuring out exactly what kind of support you need. To help you find the best fit, we highly encourage you to connect with providers throughout the HMCDDO service area, tour their facilities, and ask plenty of questions. Most importantly, remember that you are always in control of your services and supports. You are never locked into a single provider. If your current services aren't meeting your expectations, you have the right to switch at any time. When you are ready for a change, simply let HMCDDO know. We will handle contacting your new provider of choice and guide you smoothly through the transition.

## **HMCDDO Affiliated Service Provider Choice:**

The guidelines below outline the standard process for individuals and guardians exercising their right to provider choice. This means that you and your guardian have the power to choose the local service providers that best fit your needs. To help you make an informed decision, the HMCDDO continuously updates the **Choice of Provider Form** with the most current list of available service providers. We strongly encourage you to contact any of the available service providers within the Harvey-Marion CDDO service area to answer any questions you may have before making your decision. Once your decision has been made, it's important to know that you are never confined to that service provider. If you are dissatisfied with the services, you are currently receiving, you can always make a provider change. Upon choosing your new service provider(s), the HMCDDO will contact the newly chosen provider(s) so they may initiate your services.

***The Harvey-Marion County CDDO (HMCDDO) does not influence or participate in your choice of service provider(s). Our responsibility is strictly limited to providing the list of available service providers and processing the choice of provider forms submitted by individuals or guardians. If you have any questions while completing the HMCDDO Service Providers & Options Counseling Form (available via paper or webform), please contact our team for assistance:***
