HCBS Waiver Services with Approved Telemedicine Option

KDADS approves the use of telemedicine options to provide authorized waiver services in this guidance. The use of telephonic (phone), televideo consultations, telemedicine or telehealth services methods that meet the following criteria:

- a. Comply with the Health Insurance Portability and Accountability Act (HIPAA);
- b. Such a process must provide interactive audio or video communications, permitting real-time contact between a distant provider, who is present and participating in the visit, and the individual receiving an appointment.
