HMCDDO Definition of Options Counseling:

Helping individuals, families, & guardians understand their strengths, needs, preferences, & unique situations, and using this information to develop support strategies, plans, and tactics based on the service options in the community.

HMCDDO Notice of Options Counseling:

As referenced within the HMCDDO Service Access & Provider Change Protocols

Upon notice of approval of funding for new services, the Harvey-Marion County CDDO will provide options counseling and obtain signed, dated choice forms at that time. If individuals desire to have interviews and/or schedule tours to make an informed provider choice, follow-up contact will be required to ensure that signed, dated choice forms are obtained at that time. Upon request of a provider change, person/legally responsible party contacts Harvey-Marion County CDDO (HMCDDO) about a change of service provider. HMCDDO offers the option to facilitate problem-solving with the current provider, if applicable. HMCDDO provides explanation of service options and available provider choices, and current directory of affiliated providers and current choice form. Person/legally responsible completes, signs, and returns choice form to HMCDDO. HMCDDO sends completed choice form to present and future provider(s), and to the MCO Care Coordinator, as applicable.

It is recommended that all individuals/guardians contact the HMCDDO to complete options counseling. If you choose to use the HMCDDO Service Providers & Options Counseling Form (via paper OR webform) on your own, you are consenting that you have reviewed the definition and notice of options counseling listed above. You are also acknowledging that options counseling has been achieved upon completion of the HMCDDO HCBS Provider options counseling form (via paper OR webform). If, at any point in the process of completing the HMCDDO Service Providers & Options Counseling Form/Webform on your own, you feel that you need further assistance with your options counseling, please contact the HMCDDO Office:

**** PLEASE REVIEW & INITIAL THE DISPUTE RESOLOUTION SECTION BELOW ****

*DISPUTE RESOLUTION / PROVIDER CHANGE REQUEST: I have contacted the Harvey-Marion County CDDO to ask for a change of service provider. The Harvey-Marion County CDDO has offered to meet with me, and my present service provider, to discuss my concerns to resolve issues instead of a provider change.

Individual and/or Guardian has been provided a copy of the HMCDDO Dispute Policy & *I decline the offer for dispute resolution*, and at this time I choose to exercise my right to change service providers. If this decision should change, I will contact the HMCDDO which will require further actions to begin the dispute resolution process.

My signature below verifies that I have completed options counseling and have been informed of all available HCBS Providers within the Harvey-Marion County CDDO area, as well as provider dispute resolution information.
