HMCDDO Options Counseling:

HMCDDO Definition of Options Counseling: Helping individuals, families, & guardians understand their strengths, needs, preferences, & unique situations, and using this information to develop support strategies, plans, and tactics based on the type of service options available in the community.

HMCDDO Notice of Options Counseling: As referenced within the HMCDDO Service Access & Provider Change Protocols.

Upon notice of approval of funding for new services, the Harvey-Marion County CDDO will provide options counseling and obtain signed, dated choice forms at that time. If individuals desire to have interviews and/or schedule tours to make an informed provider choice, follow-up contact will be required to ensure that signed, dated choice forms are obtained at that time. Upon request of a provider change, person/legally responsible party contacts Harvey-Marion County CDDO (HMCDDO) about a change of service provider. HMCDDO offers the option to facilitate problem-solving with the current provider, if applicable. HMCDDO provides explanation of service options and available provider choices, and current directory of affiliated providers and current choice form. Person/legally responsible completes, signs, and returns choice form to HMCDDO. HMCDDO sends completed choice form to present and future provider(s), and to the MCO Care Coordinator, as applicable.

It is recommended that all individuals/guardians contact the HMCDDO to complete options counseling. If you choose to use the HMCDDO Service Providers & Options Counseling Form (via paper OR webform) on your own, you are consenting that you have reviewed the definition and notice of options counseling listed above. You are also acknowledging that options counseling has been achieved upon completion of the HMCDDO State Plan & Non-HCBS Provider options counseling form (via paper OR webform). If, at any point in the process of completing the HMCDDO Service Providers & Options Counseling Form/Webform on your own, you feel that you need further assistance with your options counseling, please contact the HMCDDO Office: Phone: 316-283-7997 or Email: keving@harveymarioncddo.com

Home & Community Based Services (HCBS) Choice of Provider:

The HMCDDO does not have any role in provider choice other than reporting available providers for each service and then receiving and processing the form(s) showing the provider choice(s) made by the individual/guardian.

Provider Choice Definition: the ability of consumers & guardians to select their preferred service provider from a range of available service providers. The HMCDDO regularly updates the Options Counseling & Choice of Provider form that shows all providers available for referral as it relates to the HMCDDO Service Types listing. Choosing an affiliated service provider is an important decision, as well as understanding the types of services offered in the HMCDDO service area. It can be hard to know what to ask a service provider, especially if you are not entirely sure what your needs are. We encourage you to contact any of the service providers within the Harvey-Marion CDDO service area to arrange an agency tour, as well as answer any questions you may have before making your decision. Once your decision has been made, it's important to know that you are never confined to that service provider. If you are dissatisfied with the services you are currently receiving, you can always make a provider change. Upon choosing your new service provider(s), the HMCDDO will contact the newly chosen provider(s) so they may initiate your services. If you would like to make a service provider change, please contact the HMCDDO for assistance.
