## Recent Happenings....

### Spring School Tours

The 1820 Benjamin Stephenson House is hosting its annual "Ben's Bash". This year we have decided to use this celebratory event to kick off the summer! Come and join us for this spectacular day outdoors at our beautiful historic home. We will be hosting this event on Saturday June 22, 2019 from 4:00 pm to 8:00 pm. With your ticket you get entrance into the event, and WE will transport you to a day filled with music, laughter, and good times. Additionally, you will receive a plate of food and a beverage of your choice (for adults this can include and alcoholic beverage or non-alcoholic beverage). For the little ones, they too will receive a hot dog, bag of chips, and a drink of their choice.

Adult Ticket Price: \$20.00

Children under the age of 3 are FREE!

\*Additional food and drinks may be purchased on site. Sorry everyone

Unfortunately, we do not have any vegetarian/vegan options at this event.

### Entertainment and Drinks

On the day of the event we will have activities for all ages. On the patio come and listen to our live Blue Grass band. Here you can hear the fabulous Keith Dudding & The Mountain River Valley Boys. The patio will offer seating where you can dine on locally made BBQ and imbibe on a cool refreshment. If the patio is too fancy, you can always set up camp on the lawn

### *New to the House*

#### **A Period Bobbin Lace Pillow**

Fiber artist Mark Myers recently refurbished a bobbin lace pillow donated to the house many years ago. The pillow was very modern and not suitable for display. Mark researched the type of pillow that Lucy could have used, based on her family heritage, then transformed our modern pillow into a period appropriate example. It is currently on display in the upper hall with plenty of light for someone to work on as time allows. Thank you Mark!

# Needful Things

# *It Was A Roaring Goodtime*

This year's trivia night was the best one yet! The theme for the event was a 1920s speakeasy and many of our teams dressed the part. The event raised over \$12,000 for Stephenson House. Thank you to everyone who came out to participate, support or volunteer their time.

# Mrs. Lucy's Sewing Table

## Make a Period Reticule

The following instructions were originally published in "The American Girls Book" by Miss Eliza Leslie, 1857

### A BASKET RETICULE.

Get a small open-work basket of a circular form, and without handles. Then take a piece of silk about a quarter and half-quarter in depth, and make it into a square bag, leaving it open at the bottom as well as at the top. Gather or plait the bottom of the silk, and put ting it down into the basket, sew it all round to the basket-bottom. The silk will thus form a lining for the open sides of the basket. Run a case for a ribbon round the top of the bag.

### A POCKET-BOOK RETICULE.

These reticules are frequently made of white hair cloth, and embroidered with floss silk ; but as these materials may not be conveniently procured, we will recommend thick gros-de-nap, lined with stiff linen, muslin, or buckram. Half a yard of silk will be sufficient. Cut it into the shape of a large pocket-book, and cord the sides and round the flap. Fasten down the flap with two small silk buttons, and a loop of narrow ribbon or galloon. The handles are made of two very stiff but slender rolls of gros-de-nap, cut bias, and filled as tight as possible with a roll of wadding. These handles must be very firm and hard, and sewed with great neatness. Put ribbon bows at the corners.

## Help Us Cloth Our Men!

### New Short Coats Needed

We are in desperate need of seamstresses/tailors to sew men's shortcoats for our volunteer wardrobe. In an effort to encourage new volunteers, we offer the use of a house wardrobe until new recruits decide they want to obtain their own garb.

Currently, we have one summer weight short coat available to use and its a small size (pictured above). Dottie Vaughn donated the short coat to the site several year ago, and it's seen lots of use.

This type of coat is fairly simple to make and doesn't need to be fitted. We'd need some in summer weight fabric in a variety of sizes. The site will provide the pattern and fabric to anyone willing to sew a new one for the wardrobe. The site also accepts used period clothing (1790-1825) too.

Contact RoxAnn to offer your needle skills.

# *A Day as Tourists*

## *Campbell House and Field House Museum*

*Six members of Stephenson House's staff and volunteers took a field trip to STL May 15. They spent the day touring the Campbell House and the Field House Museum. Here are just a few of the photos from their excursion. It was a great opportunity to see how other house museums present the past.*
